The Honorable Rosa L. DeLauro  
Ranking Member  
House Committee on Appropriations  
H-218, The Capitol  
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the installation of sanitary sewer systems in the City of Elyria in Fiscal Year 2024. The entity to receive funding for this project is the **City of Elyria, located at 131 Court Street, Elyria, OH 44035.**

The funding would be used to install sanitary sewer extensions to create a direct pathway for flows from current commercial properties to bypass the residential sewers and pump station. The project would alleviate residential capacity issues and increase the city's sewer system capacity for future businesses. The project is an appropriate use of taxpayer funds because it will improve the septic and home sewage treatment systems for over 70 homes in the city and will directly benefit commercial development within the Chestnut Ridge area.

The project has a Federal nexus because it is for the purposes authorized in Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

***I certify that neither I nor my immediate family has any financial interest in this project.***

I hereby certify that this request will be made publicly available on my Official Website as required by the House Appropriations Committee's policy that only posted requests will be considered.

Sincerely,

Robert E. Latta  
Member of Congress
